I wrote a prompt for one section and asked gemini to clean it up. This is what it looks like, is this what you're asking for ?

This is the complete, un-shortened Designer & Developer Prompt for building the modernized FoSCoS platform. It captures every specific interaction, emoji, and logic gate described in your vision and the FSSAI regulatory data.

***

Project Brief: The Modern FoSCoS Service Portal

Role: You are a Lead Full-Stack Developer and UI/UX Designer.
Objective: Build a high-fidelity, user-centric Single Page Application (SPA) that transforms the FSSAI food licensing process into a guided, human experience.

---

1. The Landing Experience
* **Visual Layout:** A split-screen hero section.
    * **Left Side:** A high-quality, warm photograph of an Indian street food vendor to establish a "human-first" connection.
    * **Right Side:** Clean, modern typography stating "food safety made easy."
    * **Call-to-Action (CTA) Buttons:** A primary button labeled "hello, i'm new here" and a secondary ghost button labeled "login."
* **Quick Services Grid:** Below the hero, implement an interactive grid featuring:
    * Apply for a Permanent License
    * Apply for a Temporary License
    * Track License Status
    * One Stop Shop
    * Consumer Corner
* **News & Updates:** A dedicated section for the latest FSSAI announcements and food licensing updates.
* **The "Namaste" Popup:** Trigger an immediate, friendly modal upon landing:
    > "Namaste! How can we help? 🙏 Tell us who you are and we'll guide you from here."
    * **Option 1:** 👨‍🍳 **Food Business (FBO)** — Apply, renew, or manage your FSSAI license →
    * **Option 2:** 👤 **Consumer** — Check licenses, rate food safety, report issues →
    * **Option 3:** 🤝 **Agent / Facilitator** — Manage applications for multiple clients

---

2. Authentication & Business Profiling

* **Login Flow:** Clicking "FBO" leads to a clean mobile number entry page followed by a dedicated 4-digit OTP verification screen to create or access an account.
* **Business Setup Questionnaire:** A multi-select grid titled "Tell me about your business 🍽️" with the question "Where do you operate from? Pick everything that applies."
    * **Options:** 🛺 Cart / Thela, 🏪 Fixed Stall / Kiosk, 🍽️ Restaurant / Café, 🫕 Dhaba, ☁️ Cloud Kitchen, 🚚 Food Truck, 🥐 Bakery, 🍮 Sweet Shop / Mithai, 🎪 Catering Service, 🏠 Home Kitchen, 📦 Packaged Food Mfg., 🏭 Warehouse / Factory, 🍱 Canteen / Mess, 🐾 Pet Food Business, 🏬 Wholesale / Retailer.
* **Food Menu Selection:** A subsequent page titled "What kind of food do you sell? 🥘" with the instruction "Pick everything on your menu — we'll use this to match you to the right category."
    * **Options:** 🥛 Dairy & Analogues, 🫒 Fats & Oils, 🍦 Edible Ices, 🥦 Fruits & Vegetables, 🍬 Confectionery, 🌾 Cereals & Grains, 🥐 Bakery Products, 🍗 Meat & Poultry, 🐟 Fish & Seafood, 🥚 Eggs & Egg Products, 🍯 Sweeteners & Honey, 🌶️ Salts, Spices & Sauces, 🧃 Special Nutritional Foods, 🥤 Beverages, 🥙 Ready-to-Eat Savouries, 🍛 Prepared Foods, 🪔 Indian Sweets & Snacks, 🧪 Food Additives.

---

3. Logic Engine: Category & Scale Mapping
* [cite_start]**Kind of Business (KoB) Logic:** Use the following mapping derived from the FSSAI Eligibility document:[cite: 1, 6, 85, 107, 109].
    * [cite_start]**If user picks "Manufacturer" or "Packaged Food Mfg"**: Map to *Manufacturer*[cite: 6].
    * [cite_start]**If user picks "Wholesale / Retailer"**: Map to *Trade/Retail*[cite: 85, 107].
    * [cite_start]**If user picks "Restaurant," "Catering," or "Dhaba"**: Map to *Food Services*[cite: 109, 110].
    * [cite_start]**Specific Overrides**: "Cart/Thela" + "Indian Sweets" maps to *Petty Retailer of snacks/tea shops*[cite: 107].
* **The Scale Calculator:** An interactive tool titled "Help me understand your scale 📊."
    * **User Inputs:** "How much do you expect to earn on a busy day?", "How many days a week?", "How many months in a year?".
    * **Growth Check:** A toggle for "I plan to operate across multiple states or expand pan-India."
* **Tier Classification (FSSAI Criteria):**
    * [cite_start]**Registration (₹100/yr):** Annual turnover up to ₹12 Lakh (Note: The user-requested UI shows ₹1.5 Cr for Basic Registration as per the latest 2026 update)[cite: 25, 35, 46, 107].
    * [cite_start]**State License (₹2,000 - ₹5,000/yr):** Turnover between ₹1.5 Cr and ₹20 Cr (or up to ₹50 Cr depending on category like Dairy/Vegetable Oil)[cite: 20, 21, 32, 33, 43].
    * [cite_start]**Central License (₹7,500/yr):** Turnover above ₹50 Cr or multi-state operations[cite: 17, 29, 40, 88].

---

4. Document & Personal Details
* **Personalized Checklist:** "Here's what we'll need from you 📁."
    * 01: **Photo Identity Proof** (Aadhaar, PAN, Voter ID).
    * 02: **Proof of Possession of Premises** (Electricity Bill, Rent Agreement).
    * 03: **Water Analysis Report** (Required for Food Services/Manufacturers). Include a "Book Lab Test" button that links to the **One Stop Shop**.
    * **Feature:** Add a "WhatsApp Me This Checklist" button for convenience.
* **Smart Forms:**
    * **Autofill:** Use OCR logic to pull the Name, Number, and Address directly from the uploaded Identity Proof into the form fields.
    * **Geotagged Business Photos:** A section for "Business Photos." Extract GPS coordinates from the metadata of uploaded storefront and kitchen photos.
    * **Confirmation:** Display a "Potato says 🥔" message: "Location detected: [Address] — ✓ Confirm | Edit."

---

5. Submission & The Smart Dashboard
* **Review:** A final page for users to review all entries. Provide a "Download PDF" button to save the full application draft.
* **Payment:** Support UPI, Credit/Debit cards, and Net Banking.
* **The Post-Payment Dashboard:** A comprehensive view of the user's compliance status.
    * **Active License Card:** Shows Business Name (e.g., Annapurna Catering), License Number, and Days Left until expiry.
    * **Hygiene Score:** A visual "87/100 ⭐" score based on inspection reports.
    * **Quick Actions:** ⚡ My Temp License, 📊 Track Application, ✏️ Modify License, 🔄 Renew Now, 📄 File Annual Return, 🛒 One Stop Shop.
    * **Potato’s Insights:** A 🥔 bubble providing advice: "Expanded your setup recently? You may need to update your license category. Tap Modify License to review."
    * **History & Reports:** List the "Application History" (Approved/Pending) and a "Last Inspection" section with a "View Report →" link.
